General Regulation on Taking Examinations as Scheduled
Students are required to be present at examinations as scheduled. However, illness or personal circumstances may interfere with a student’s ability to adequately prepare for or write an examination as scheduled. In these circumstances, students should contact the appropriate Course Director as soon as the problem becomes apparent. It is the responsibility of the Course Director to determine whether the circumstances warrant an accommodation.

Students who feel that their performance on an examination may have been compromised by their personal illness or personal circumstances must complete a Petition for Consideration for Performance on an Examination or Assessment form through the Office of Enrolment Services. This form should be completed within 24 hours of the scheduled examination and may require medical documentation.
